

KEYNOTE SPEAKERS:

You will be encouraged, challenged and richly edified by this year's Keynote Speakers. Again, we have chosen not to "highlight" the keynote speakers. We desire to maintain a complete Christ-centered focus for this Advance.

Come expecting the Holy Spirit to minister directly to you through our Keynote speakers and other anointed men of God who have depth and experience and maturity in their walk with the Lord.

Witness the power of God truly "set men free" and renew your faith in an atmosphere where businessmen, regardless of denomination, can refresh and be built up through sound Biblical teaching, testimonies and fellowship.

Come join with us and let the Spirit of God refresh and strengthen you!

A Special Note to Pastors:

While the Full Gospel Business Men's Fellowship is a worldwide layman's organization, Pastors who have been members and non-members have historically provided significant encouragement, support and input at FGBMFI functions: and for this we are grateful.

Each year numerous Pastors from many different denominations attend our Men's Advance in Northern New England. The Holy Spirit continues to supernaturally work many special miracles in their lives as they come together in an atmosphere of love and unity, without feeling "on-duty"

Again this year, in special appreciation of the office of Pastor, we would like to bless you by allowing you to attend this Advance at one-half (1/2) price.

We extend a warm invitation to all Pastors to join with us as we seek to grow in The Lord.

Special Notice

The Convention Leadership has once again decided to call for a time of **Fasting and Prayer** to take place at The Lake Morey Resort on Thursday January 12, 2012.

Beginning at 1:00 PM, there will be a special time of corporate prayer for God's abundant blessing on the Men's Advance and for the needs of every man who will be attending, including the families they represent.

We believe, and past experience has confirmed, that this dedicated time of intercessory prayer is essential for the spiritual success of the Advance and for the continuance of God's work through this interdenominational Fellowship in the marketplaces of New England and the world.

If you would like to participate in this call to prayer, please make plans to arrive Thursday afternoon.

The registration form has been updated to include the additional costs associated with this day of prayer.

To avoid confusion for The Lake Morey Resort, please note that room assignments made for Thursday night must remain for Friday as well.
